classic rivalry that will rank with any in the area for spectacle and color. The band from Wareham High added much to the enjoyment of the event with music and their halftime display of marching skill as they wove precision patterns and letters on the field. The growing band of Old Rochester was on hand to share the musical end of the program. Both teams were cheered to the tree tops by teams of attrative girls waving pom poms in the colors of each school. Everything was present, the color, the noise, the music and the spirit to lift the game out of the commonplace and into the plane of a high school classic. Certainly this game turned out to be just that for these football teams were tuned up for this contest. Rochester elected to receive and right from the opening gun showed an ability to move the pigskin. The Bulldogs have shown a steady improvement all through the year and this game reflects their finest effort. Early in the first quarter OR ponced on a Wareham fumble on the Wareham 20. In the second quarter , in an almost identical situation, OR fumbled the ball on its 20 yard line where Kevin Heap of Wareham recovered. The two Wareham Co-Captains then carried the mail. Rick LaBouliere tore through to the 5 and then Lenny Lopes took it over to score. Lopes kick was good and the score stood 7-6. Later in this period,Wareham attempted to punt while deep in their own territory. The hard charging Rochester line broke through and deflected the punt which

Gray tore loose through the secondary to break away free and alone. Meshing into high, he covered more than 60 yards to score standing up. This gave the Bulldogs a two touchdown edge but once again the all important conversion was missed and the score was 18 to 7.

Wareham, refusing to be denied, fought back in the final quarter. In the initial play Bob Hatch turned in a beautiful run of more than 30 yards to score. Lopes made the 2 point conversion with an end run. A fumble by OR on the first play after the kickoff gave Wareham the ball on the Rochester 22 as Gordon Gomes ponced on the ball. It was voted to write to Dr. Hans Waine, medical director, for names of two or three children that are arthritic bed patients, and the Juvenile Grange will choose one to help in many ways. Also, to suggest a little girl to give the doll to that won first prize at the State Grange. The doll was given to the Juveniles by the Home and Community Service Committee of the Subordinate Grange to be dressed according to the rules of the national projects.

It was also voted to have programs made up of the activities, etc. of the meetings for 62-63.

Due to the storm the hay ride had to be cancelled, so the lecturer's hour was enjoyed with games with the lecturer as reader.

During the lecturer's hour the master spoke of his trip to Worcester last Wednesday for Juvenile Day at the State Grange, and of his pleasure in meeting the State and National officers. GOP CANDIDATES NIGHT

A successful GOP Candidates' Night at the Rochester Memorial School last Thursday evening drew over 125 persons. Jesse Metcalf, vice-chairman of the Republican Town Committee, introduced State Representative Edwin H. Morse (R.-Wareham) who served as master of ceremonies.

Attorney Howard W. Young of North Dartmouth who is a candidate for Governor's Council was the first speaker on the program. He told of the importance of the Governor's Council and the various duties and power of this office.

U. S. Representative Hastings Keith spoke on various events of current interest and legislation that Republicans have helped to pass. He also mentioned the corruption in the public works program. Congressman Keith has a long record of community service and is presently a member of the House Interstate and Foreign Commerce Committee.

State Representative Francis W. Perry of Duxbury was the next speaker. He is a candidate for Lieutenant Governor and gave his reasons for seeking this office which would put him in a critical position as a member of the Executive Council, to be informed of any "sweetheart" contract deals before the harm is done. He mentioned his investigations which led to the exposure of the parking lot "sweetheart" deals and the scandals in the Waterways division.

State Representative Allan F. Jones, seeking election for State Senator, and with 14 years legislative experience behind him, was next speaker on the program. He emphasized that voters should not be misled by question no. 1 on the referendum and to vote "No". He urged a good turnout at the polls on November 6th.

Plymouth County District Attorney John R. Wheatley, seeking re-election to that office, urged voters to use good judgment when casting their votes for people in public office.

Adnah Harlow, Sheriff of Plymouth County, mentioned his pleasure at being able to speak again in Rochester and greeting old friends in this area. He is seeking re-election for this office.

Final speaker was George Ridder of East Bridgewater. Mr. Ridder is a candidate for the office of county commissioner and a newcomer. He asked for support at the polls and gave an account of his excellent qualifications.

Lovely bronze chrysanthemums flanked by silver candlesticks on a lace cloth completed the decor of the refreshment table. Assorted cakes and squares were served with cider and coffee. Floral arrangements on the stage were donated by Mrs. William Warburton.

This event was sponsored by the Rochester Republican Town Committee. Mrs. Henry B. Smith was general chairman and was assisted by Jesse Metcalf, Greenwood Hartley, Jr., Mr. and Mrs. Malcolm Cameron, Joseph A. Chamberlain, Mrs. Frederick Underhill, Mrs. Greenwood Hartley, Sr., Paul M. Gibbs, Condit C. Peirce, Douglas Church, Mrs. Jesse Metcalf and Henry B. Smith.

The successful meeting was attended by a large number of representatives from Mattapoisett, Marion and Wareham.

WOMAN'S CLUB HEAR BOOK REVIEWS

The first meeting of the 1962-63 season of the Mattapoisett Woman's Club was held last Thursday afternoon in the Congregational Church parish hall. Guest speaker for the afternoon was Mrs. Betty Nelson of Worcester who spoke on "The Lost Art of Reading For Fun".

Mrs. Nelson entertained her audience with highlights from the following books: Biography of Will Rogers by Donald Day, Travels with Charley by John Steinbeck, Scruffy by Paul Gallico, The Rothschilds by Frederic Morton, Ship of Fools by Katherine A. Porter, To Catch An Angel by Robert Russell and The Fur Person by May Sarton.

Mrs. Nelson was introduced by Mrs. Charles Smith, program chairman.

Mrs. Harold Banks presided at the business meeting. The invocation was by Mrs. Frank Oxnard.

Department meetings were announced as follows: American Home, a cooky swap on Tuesday, November 20, at 10 A.M., at the home of Mrs. Horace Darrah; literature-drama, a meeting Tuesday, November 13, at the home of Mrs. Dixon Yard at 10 A.M.; music, No-

RECREATIONAL DIRECTOR AT NURSING HOME

Mrs. Blanche Perry of Mattapoisett has joined the staff of the Mattapoisett Nursing Home as a recreational director. Mrs. Perry is a New York registered physical therapist who received her training at Ithaca College, New York. For two years after graduation she worked as a physical therapist at the Bird S. Coler Hospital in New York. On coming to Massachusetts she worked for five years with the cerebral palsied children at the Sole-Mar Hospital and later as group activities' co-ordinator at the cerebral palsy clinic in New Bedford.

Mrs. Perry is working with Mrs. Harold Banks and Mrs. David Moore of Mattapoisett in setting up a program of volunteers, individuals and church and civic groups here in Mattapoisett to bring recreational diversion to the patients in the home. Card playing, reading to the blind, pottery, painting, wood and copper work, sewing and group activities are planned, and any volunteers with time or materials to spare, or a hobby to share are urged to contact Mrs. Perry, Mrs. Banks , Mrs. Moore or the home where their services will be most welcome.

Life expectancy in this country is now over seventy years, and as a result we have an ever increasing group of older citizens in the community. What do they need? They need love and affection and a sense of personal worth and dignity. They need opportunities for self expression and a sense of achievement. What does this mean to a patient in a nursing home? Sometimes a simple thing, like lifting a bedfast patient into a chair where he can see out of the window, teaching him to wash his own face, or write with his left hand. It may mean encouraging him to watch television. At this nursing home it also means having trained personnel and volunteers to help these people to a fuller, happier life. If you have a few hours to spare, will you help?

GIANT STEPS

Anyone who has ever played the game as a kid can't help having nightmares about the fact that a major victory for Communism is in the making. The whole point of this simple game is to take more steps forward than you are forced to take back. Khrushchev is playing the game brilliantly. He took 3 giant steps. He took Cuba in defiance of the Monroe Doctrine. He has made a military base of the island for jet bombers and ships. He established a rocket base. Now he is going to concede the rockets. In return, we concede the jet sticking force, the naval base, and Cuban Communism for a starter. The Monroe Doctrine is now dead for all time and the Cuban people are abandoned. It is a brilliant victory snatched from seeming defeat if all goes as now planned.

Dear friends,

It has been our privilege to serve members of nearly all religious organizations. Some require certain specific details in connection with the funeral service. We are familiar with these requirements.

Also we have had many personal requests bearing upon the nature of the funeral service.

We consider these matters highly important. In most instances, they represent the wishes of the deceased. We respect those wishes, always.

Respectfully,

YEARS AGO
by C.M.

125 Years Ago -- 1837

One hundred and twenty-five years ago there were exciting times in the village; for in addition to everything else, 1837 saw the beginning of the bitter, twenty year struggle to get Mattapoisett set off from Rochester. Because of the shipyards Mattapoisett had grown to be the wealthiest and most populous of the three villages: Rochester Center, Mattapoisett, and Sippican (Marion). Naturally there was a growing grumble about having to go to Rochester Center for Town Meetings and all other town affairs.

So, in preparation for the Town Meeting of March 6, a group of Mattapoisett men inserted an article in the warrant:

"To decide if the town will hold their town-meetings in Mattapoisett Village for the term of one year from the 20th of March, 1837."

This raised a stir in Rochester Center, but evidently no one there realized how strongly Mattapoisett people felt about the matter, nor what a bang-up campaign they were going to wage. Naturally, when it came to votes, Rochester Center's strength lay in enlisting the support of the Sippican contingent. This they did not do for the March 6 meeting

When the day came, almost 300 men from Mattapoisett arrived in Rochester Center by horse, carriage, cart, and barge (long wagons with a bench extending along each side facing inward), and noisily raised a flag on the north side of the road across from the Town House on the Center Green. Needless to say, this large bloc of votes carried everything before it, and after some routine business voted to adjourn

the meeting "to the First Christian Meeting House in Mattapoisett" a month later on April 3.

So it was in the present Historical Society Museum on Church Street that the first Town Meeting ever held in Mattapoisett actually took place. (To be continued)

100 Years Ago -- 1862

Second year of the Civil War. Many Mattapoisett men had already seen bitter fighting in the ferocious battles of the attacks on Richmond and in the naval campaign on the Mississippi.

News of Mattapoisett military personnel:

Jan. 8. Shubael K. Luce, U.S.N., appointed Acting Master's Mate on U.S.S. Cambridge.

Feb. 1. John Bates enlisted in U.S.N. Served on U.S.S. North Carolina and U.S.S. Henry Andrews. (Killed less than two months later; see Mar. 22.)

Mar. 18. William H. Taber, Co. C., 17th Penn. Cavalry, died in hospital at Mumfordsville, Kentucky.

Mar. 22. John Bates, U.S.N., died on board U.S.S. Henry Andrews at New Smyrna, Florida, from wounds received on an expedition up Mosquito Inlet (where not too many years previously, men from the shipyards used to come in the fall and winter "live-oaking" to get timber and "knees" to be used in building the ships.
